Rachel,
So you made
flag corp. for next
year. I hope we have
a lot of fun like
we did last year.
You're a very sweet
girl. I'm glad to meet
you. Enjoy the
summer and your
senior year.
Janette
Rios

Rachel, (we now remember
this flag corp. memo)
I hope you are a real
great gal! I wish
you the best & hope
you have a great year.
I am
kind of smart or weird?
Your gal
Janette

Rachel, I'll have
more classes with
you next year so that
I can get to know you
better. Have a GREAT
summer!
Elaine

Dear Rachel,
Well we made it
through another year of
band & even in year of Min
Kocael. Well what can I
say. we have had a number
of ups and downs. I hope
you have a great summer
and I will see you next fall
for another year (or half?).

Best Always
Sue Martin

Rachel,
It is great you this
got to meet you next
year, no matter what
year we can get more lucky
as wanted, you a sweet lady
and a great piano player senior!
Good luck, you lucky
friends

Rachel,
I hardly saw you as all this
year I wish we would just had
done classes together. You are
a really sweet person and
I am sure my sister likes you
as much as I do. Stay sweet
Love
Mary Yvonne

Dear Rachel,
Chick, you gorgeous
been, this year has
to you. I loveable thanks
or I would have made it
through this year if it wasn't
for you. You're been such a great
Rachel, I don't know what to say except
done for me. You're a great friend and you're

people on earth and I'll always care about
you. You're gorgeous, beautiful, sweet, warm, sincere,
special, honest, friendly and perfect. I only wish
I could be as smart as you so we could
have a class together sometime. I hope
we can still keep in touch after next year,
like you. Well I'd better and a great friend
Best of luck next year, esp. with you.

SILENT CONTO

Reahel- You are a dear, sweet friend and I'm glad that I know you. About the NHS picnic for! It was a definite high in my junior year. Speaking of junior year, 3 down and 1 to go. Next year we are finally going to be seniors and the freshmen had better watch out! Just think, in 52 weeks we will be graduating from Hinsdale South. This summer we had better see the new Superman & Mapped movies. Christopher Reeve is so handsome. Too bad you are taking pre-calc but maybe we'll be in computers together. Reahel it be great if Dorothy, Annette, Maria,

Barb, you & me all go in to computers math together or for that matter any class together! That's would be so much fun, but the poor teacher! Have fun this summer!

1) The first step in the process of the formation of the new state is the creation of a new state. This is done by the people of the state, who are the only ones who have the right to create a new state. The people of the state are the only ones who have the right to create a new state.

1. The first part of the paper is devoted to a discussion of the various methods of determining the rate of growth of the economy. It is pointed out that the most reliable method is the use of the index of the volume of output, which is calculated by dividing the value of output by the price index. The index of the volume of output is then used to calculate the rate of growth of the economy, which is found to be 1.5% per annum.

Breaking Away With Class

The Miracle Worker

Teaching the blind to see — this was the task Anne Sullivan undertook with Helen Keller, and, as a result, smiles and tears were on the faces of many people last March. The spring production of *The Miracle Worker* was a huge success last year. Many bruises, scratches, tears, and cases of fatigue went into this drama which was directed by Mr. Doherty. Angela Stramaglia portrayed Anne Sullivan, the miracle worker, and Jeanne Luedtke played the blind girl, Helen Keller. They were supported by a spectacular cast. Their success in the future seems solid.

You're A Good Man, Charlie Brown!

"Happiness is" having a group of hardworking students produce an enjoyable play in a matter of a few weeks. In the process, many sacrifices were made such as supperless evenings and forgotten homework assignments, but the show went on. The cast of "You're A Good Man, Charlie Brown!" felt their performance was well worth the many long hours of rehearsal. With the assistance of director Richard Doherty and student director Amy Taylor, the ten member cast did a great job of portraying the "Peanuts" gang." With such a cast and a productive drama crew, it is no wonder the audience did not receive peanuts for entertainment.

ACTIVITIES

Foreign Friendship: AFS

A F S Foreign Exchange Club, whose purpose is to promote international friendship, accomplished this worthwhile goal this year. Again the organization selected two students, Mary Kay Siebert and Marlon Lyles, as exchange students who will have the opportunity to experience new places, people, and culture. Returnees of the year were Margie Budney and JoAnn Makes who traveled to Turkey and Thailand respectively. The club itself kept busy with various activities which included Homecoming parade participation, produce sales, and a foreign exchange weekend. The club kept busy, and there should be no reason such international friendship could not be achieved in the coming year.

Deutsch Klub: Ein Aktive Jahr

It was a totally "tol" year for the members of this year's German Club. Activities of the year were numerous and diversified and included trips to German restaurants and a soccer game. A few members participated in the Homecoming Parade, and the float took 4th place in the competition. During the Christmas season, the successful Advent Kalendar sale and Gingerbread House contest was held. The year, as a whole, turned out to be fun. Many members look forward to next year.

"Facto, non verba", could be the motto of this year's Latin Club. The activities of this "action, not talk" organization included a Christmas party, participation in the Foreign Language Bowling Tournament, and trips to a Cub's baseball game and a Sting soccer game. All the members enjoyed a year full of activity and not just talk.

Fiesta, Not Siesta

For the Spanish Club, this year was not what one could call siesta time. The club had a spicy list of activities that they participated in during 1980-81. Some of these activities included a splash party, a potluck dinner, and a few trips to area restaurants. The Spanish Club's year turned out to be not a siesta time, but a fiesta time. This time was enjoyed by many members, and members are patiently waiting for an other "hot" year forthcoming.

Signs Of Activity

The local chapter of the Jr. I.A.D. was not idle in their activities for this school year. The club, whose objective is to provide the opportunity for hearing-impaired students to socialize with other such students, organized activities ranging from an Oktoberfest in the fall to a Christmas Drive in the winter. The organization had a very successful year and they anticipate another great activity-filled time next year.

News To Be Heard

All the signs of a typical newspaper publication were evident in the issues of the Hinsdale South *Bumblebee* newspaper. The staff dedicated many hours to producing a paper that was the source of information for the hearing-impaired students at South. Their diligent effort is to be commended for the great service they provided.

Deaf Drama members have a special way of performing

A new form of the tug of war

Dramatists: Dedicated Deaf

Performing was just the thing the Deaf Drama Club did this year. The fifteen-member club was kept busy throughout the school year with a number of theatrical presentations. In the winter, a mime production was enacted, called *The Pantomiming Group*. The participants of these endeavors put in many long hours, but the time was well used. The club should be commended for their activities, and many look forward to other theatrical productions in the future.

Pros At Their Sport!

The Speech Team, now having completed its third year, has demonstrated that they could be considered old pros at it. This year's team went on speech tours every Saturday during the months of October to February. Their tours were much like athletic events in that they competed against other schools. With the coaching of Mrs. Knight, Miss Olsen, and Mr. Doherty, the Speech team received a number of awards. As a result, the 1980-81 Speech team deserves the title of "old pros"

A ★★★★★ Success!

1980/81 proved to be one of continual activity for the drama students. The Drama Club was occupied with putting on this year's plays, *You're a Good Man, Charlie Brown!*, and *Carousel*. The club also went to see some theatre shows such as *Evita* and participated in the Illinois Theatre Festival. Within the Drama Club is a select group

of distinguished artists who belonged to the International Thespian Society. This year's members were elected on the basis of contributions to the theatrical department. Both the Drama Club and Thespian Society helped make this year's performing arts a four star success!

Music To The Ear!

Music is one of the fine arts that can be found and appreciated anywhere in life. And it is pleasing to say that Hindsale South is filled with such an art. The South Band, directed by Robert Haddick, was to be found almost everywhere this past year. They were present at a number of assemblies and pep rallies and could be heard during the football and basketball games. The 1980-81 Band council, which was responsible for organizing their activities, consisted of President Joe Clark, VP Marcia Toda, and Secretary/Treasurer Margie Budney. With the assistance of Mr. Haddick, the council planned a couple of activities such as the Pizza Sale, a visit to the Chicago Symphony, and the viewing of the *Nutcracker Suite*. With all these activities, which required a strong will and dedicated soul, the band members deserve to be applauded for their services rendered to both themselves and their school.

Choir Singing To Success

For the Hinsdale South singers, 1980-81 proved to be a very successful year. Besides performing their annual concerts, the choir again participated in the ever-successful Madrigal dinner, which was held in December. To add to their activities, the group also had a citrus sale which would financially help next year's trip abroad.

With the assistance of their scientific brains, the club won second place in the Homecoming Parade with a dazzling assembly of electronic wizardry. As sponsor Mrs. Camasta said, "Science Club is for any student who is interested in the world of science and in having fun." (By the way, a Bombidae is a bumblebee)

The Addition Of A New Club

Take a **quotient** of math-oriented students, **add** some creativity, then **multiply** it by loads of fun. The final **answer** comes out to be the New Math Club of Hinsdale South. The newly founded club enjoyed a busy year. Activities of the year included a fund-raiser using a computer dating service, IML practice testing and various discussions of the science of and careers in mathematics. All in all, the year proved to be no **less than** fun.

As a new club introduced this year at South, the Future Secretaries Association promoted interest in the secretarial/business fields by offering students the chance to experience many aspects of the businessworld. The activities that helped make this experience possible included tours of the McDonald's and Xerox corporations, a cosmetic demonstration by Merle Norman Cosmetics, and a presentation by a Certified Public Secretary. The hard work of these active business students had clearly established a foundation of the Hinsdale South chapter of FSA.

Cooking Up A New Club

Slaving over hot stoves or scrubbing floors were not the activities the new Future Homemakers of America partook in this year. Quite the opposite - the club kept busy with a number of activities such as a November regional rally, a February Skills Workshop, and a spring F.H.A. State Conference. Besides these activities, the club also had fundraisers that specialized in their field - an all school bake sale, a faculty Christmas ornament sale, and a fruitcake sale. F.H.A. has the *Ingredients* of a fine club and should be *seasoned* with many interested students next year.

Never Hesitant On Service

NHS has come to mean the club that is Never Hesitant on Service. That is especially true this year. Tutoring students, collecting for the annual UNICEF drive, and ushering at a variety of school activities were just some of the services rendered by the National Honor Society. To keep a permanent record of the events and members of the year, NHS member, James "J.C." Warwick took on the task of publishing a few editions of the *Who's Who in NHS* book. The club also elected Margie Budney and Kevin Madsen as competitors for a NHS scholarship. The year indeed has been an active one and as one of the sponsors stated, NHS is a group of individuals who "have always been workers and doers."

S.C. Proves Motto

"We Care", which is the motto of Hinsdale South's school government, was exemplified by the many activities that the Student Council of 1980-81 sponsored. Their activities ranged from a creative "Biggest Turkey Teacher Contest" in the fall to the ever-popular Variety Show in the spring. The Council also participated in fund-raisers for various causes such as a spellathon for M.S. and a collection drive for Muscular Dystrophy. The "We Care" motto certainly seemed evident this year and should flourish in the coming years.

Editorial decision, photography assignments, and article deadlines were just a few of the obstacles the STINGER newspaper staff had to overcome this year. The newspaper did an excellent job in presenting the events of the school year. A new item this year was an increase in the number of

Yearbook Yields Creativity

"Less is more" was the applicable motto for the *Vespa* staff of 1980-81. The group, whose membership was limited to a select few, worked diligently throughout the year (and an occasional school night). The staff assembled the yearbook with care and creativity and showed their true journalistic ability. The theme of the book, *Games People Played*, was well received by the student, and the prospects for an even more spectacular publication next year are promising.

A Successful Season

Coach Lindley's view of the Varsity baseball season was one of "peaks and valleys, but overall a successful season." The Hornets got off to a quick 5-0 start and finished 13-7 to put them third in the conference. The big disappointments were a few early season one-run losses in the league. The five seniors were most valuable because they were great leaders and each valuable to the team in his own way. "They were a very hard-working team that never quit and always gave it all," said Coach Lindley

There was no one chosen as MVP since the season was used to condition the players into super athletes. The season ended with a 6-9 record, and they finished 4th in conference. Though they lost a few games, their Hornet spirit remained firm, and they gathered the experience needed to become great athletes of the future

Stepping Up To Victory

The 1980 Varsity and Junior Varsity girls' softball teams led by Coaches Campbell and Conrad stepped up to victory this season. The J V broke a school record by racking up 6 wins and 9 losses which is a tremendous accomplishment over previous seasons. The Varsity's total win-loss record was 9 wins and 10 losses. Kelly Kowalski was chosen most valuable J.V. player, and Tammi Sattler was chosen most improved due to her fine pitching throughout the season. On the Varsity level, Dawn Hallett was chosen most valuable player for the third straight year. All-Conference players consisted of Annie Estes, which was her second consecutive year, Meredith Horn, also in her second year, and Dawn Hallett for the third year in a row. The girls' softball teams are certainly batting up to a promising future

Dominating the courts was one of the features exhibited during the 1980 Boys' Tennis season. All levels of tennis displayed great skill and confidence. Under the direction of Coach Comerford, the Soph and Frosh teams earned high marks against their opponents. With the Varsity team, coached by Mr. Palzer, the overall view of the season was excellent and provided a chance for the team to refine their skills. With such a season as was this, the future seems inevitably bright.

Run, run, run! That is what Coach Matczak's track team did this year. The team placed third in conference. Coach Matczak was pleased with the standings and results of the season. Lana Madeja did extremely well, scoring the most points during the year. A total of eight school records were broken during the season. Patti Deldin's half mile time missed qualifying for state by only four-tenths of a second. The team as a whole put an excellent effort into running, and the team spirit was outstanding. Trackers Hurdle To Victory!

The Boys' Varsity Track team did an outstanding job during the 1980 season with the help from Joe Schuch, the overall leader of the team. Schuch was chosen most valuable player and unfortunately was disappointed when he didn't qualify for the state finals. As a team, the boys placed 4th in the indoor conference and 3rd in the outdoor conference. They also won the Downers Grove North Invitational. Their most memorable event of the year was "the great effort put forth during the outdoor conference," as said by Coach Yavorski. Their success of this year will be a force that will carry their victories into the coming year.

Conference Champs Of Track

"Excellent," was the term Coach Yavorski gave to describe the Boys' Sophomore and Freshman Track teams. For the sophomores, their season ended with them dominating both the indoor and outdoor conferences. They kept the season running despite the usual athletic injuries. Likewise, for the frosh, they were victors in both the indoor and outdoor conferences. For both teams, the season was great and will provide the motivation to push out Hornets to more victories in the future.

Building For The Future

"A Building Year". That is how Coach Kordewick described the season of the Varsity Boys' Gymnastics Team. Despite Rob Haglund being injured before the season, the team competed well against their opponents and ended the season with a 5-8 record. In the wider circles of competition, the team placed 5th in conference and 2nd in district. As always, the team displayed excellent Hornet spirit and sportsmanship. They are anticipating the chance to exhibit the skills they perfected in the 1980 season.

Hitting The Green!

"Putting Around" was how the Varsity and J V Golf teams spent their season after chalking up victory after victory. For the Varsity team, the MVPs, Bob Kagay and Todd Osadjan led with the lowest scores. Though the Varsity team did not qualify for the IHSA Sectionals, they did end the season with a spectacular record of 7-3. For the J.V. team, however, it was quite the opposite. Their conference record of a first place rating overshadowed their record of 4-3. For all the golfers, the 1980 season was one filled with "sandtraps" and "holes in one", but through it all, Hornet pride and spirit remained steadfast

Boys Take To The Path . . .

The 1980 Boys' Cross Country team ended their season with the marks "running" high. They received a record of 7-4 and placed 3rd in conference. In the Niles West Invitational, our runners placed 1st over 42 other teams. Leading the team to these victories was Sam Ramont. With such a superb season as was this, the prospects of next year's Cross Country team seems ever greater!

... And The Girls Follow

Like the Boys, the Girls' Cross Country team also had a season of high "running" marks. Their record stood at 4-2, and they placed 3rd in conference. Sue Kutz was the obvious leader of the team and gave encouragement whenever it was needed. With the season ending on such good terms, the expectation of next year appears bright.

Champs Of The Year

A trip down to state was on the agenda of the Varsity Boys' Football team this year. Their spectacular season which was the result of determination and athletic skill, ended in an 11 win- 2 loss record. The team, coached by Mr. Smith, Mr. Puck, Mr. Iantria, and Mr. Kirwan, gained victory after victory and defeated such tough opponents as Willowbrook and Addison Trail. They competed in the State finals against Mount Carmel and took home the 2nd place trophy. With such an outstanding record, the Varsity football should look forward to taking another trip to State Competition next year.

Field Goals & More

Besides making field goals, this year's freshmen football team also had other goals in mind. They set and achieved the one goal of gaining experience in the high school football system. By the end of the season, which completed a record of 4-4, the team also acquired the experience of knowing the pain of a football injury. These injuries, though, did not hamper the frosh's spirit. They greatly improved their skills toward the second half of the season. With such an experienced team as this, a victorious 1981-1982 Sophomore team seems likely.

Spirit-Strong Squads

Gimme A V-I-G-O-R and what's it spell? No one less than the Varsity and J.V. football cheerleading squads of 1980-81. This year proved to be a tough one, especially for the Varsity squad. They followed the Varsity football team from victory to victory with cold weather as a deterrent, but kept the spirit running high throughout all the games. Besides raising spirit, the squads also raised money for themselves by having a sweater sale. With Varsity co-captains Jeanmarie Luedtke and Sue Young and J.V. co-captains Andrea Madeja and Mary Kay Siebert, the year turned out to be both fun and vigorous

Stepping To The Beat

The 1980-81 sports season proved to be a challenge which the Pom Pon Squad took on with grace and a high stepping beat. Their half-time performance at both the football and basketball games were entertaining. Besides these performances, the squad also had some fund-raisers which included a Christmas sale and a February bake sale. Along with co-captains Jonna Cielinski, Tracy Nickell and sponsor Miss Linne, the squad had a most exciting and enjoyable year

Varsity Volleys To Victory

Beware of that ball when the Hornet Varsity Volleyball team is on the court. The girls showed great improvement over past years and proved themselves with their impressive 15-8 record. The team learned much and was able to utilize more advanced plays and techniques. Paige Paulson was this year's most valuable player with her intimidating blocking and devastating spikes. Although the girls were disappointed with their 3rd place conference finish, sportsmanship and team spirit were high throughout the season. With such a season as this, Coach Marable is looking forward to an even better coming year.

The J.V. Volleyball team, coached by Carol Iverson, had a very successful season finishing with a 9-6 record. Their record was not indicative of their fine playing ability, seeing that they finished 1st in the Freshman Carl Sandburg tournament. They were led to their victory by frosh Sue Pusateri. As a whole, the entire team improved greatly throughout the season. Coach Iverson anticipates the same team spirit and sportsmanship that was displayed this year to be even more prevalent next season.

Soccerettes Kick With Spirit

Kicking off the soccer season with an abundance of spirit was the objective of the Varsity and J V Soccerettes. With sponsor, Mrs Kovenor the squad cheered their team to victory after victory. To improve their skills, some of the squad members went to a camp in Albion, Michigan, this year. With Varsity captains, Karl Goetz and Julie Roge, and J V. captains, Margie Golis and Rhonda Morrill, the squad raised the Hornet spirit high and had fun along the way.

Kicking All The Way To State

Soccer, which is a sport of fancy footwork, got in the limelight of Hinsdale South this year. The team, coached by Larry Foss and Dave Arnold, did an excellent job by placing 1st in district. Then to add to their record, which was 16-5-3, the team went to the state finals and won the title of 2nd in state. Many of the players contributed to the success of the team, especially Srdjan, Grbic, Frank Espinoza, and Hector Arteaga. Their excellent season was a result of hard work, great team spirit and Hornet sportsmanship. With the experience of Hornet victories in their past, the taking of next year's state championship trophy could become an achievable goal.

Frosh & Sophs Score A Super Season

Skill, talent, and enthusiasm, all played major roles in the production of the successful seasons of both the Freshmen and Sophomore Soccer teams. Due to his team leadership and skills, Tom Wilson was selected as Most Valuable Freshman Player. Brian Clinite contributed the success of the team and was elected the best offensive player. Frosh Randy Bull assisted the team with his dynamic defensive skills, and the freshmen ended their season with 5-3. As for the Sophomore team, their record was 11-4. For both teams, Hornet spirit prevailed, adding to the success of their seasons

Girls' Tennis: A Spirited Season

"Memorable" described the girl's tennis season this year, despite the many illnesses that plagued our Hornets. Linda Methling proved to be a strength for the team. As for their record, they tied for seventh in conference with a 2-8 record but were rated "top notch" by Coach Dillon and the school. A Stroke Of Winning

Wading in pools of victory was the scene of this year's girls swimming season. The Varsity and J V. swimmers, coached by Mrs. Gros and Mr. Townsend respectively, did a spectacular job. Both teams ended their season with reputations as winners. Varsity had a 6-3 seasonal record with a 1st in conference. The J V. team did equally well with a record of 5-4 and also a 1st in conference. The winnings of this year will serve as an incentive for next year.

Shooting For Quality

Superior skills, high spirit, and superb sportsmanship were the qualities evident in this year's Varsity Girls' Basketball Team. Coach Karnstedt epitomized the season as one of "ups and downs in a year of transition." Karnstedt's team, which was lead by senior co-captains Linda Methling and Kathy Hein, had an impressive seasonal record. With the departure of only two seniors to graduation, the young Hornets have the aptitude to make an impressive stance in the upcoming year.

Scoring Two Points For Talent

"The most talented group of athletes" was the statement given by both Coach Holloway and Coach Haisman about the Junior Varsity and Freshman Girls' Basketball teams. Coach Holloway's J.V. team was recognized for their apparent quickness and tough defensive and offensive skills throughout the season. J.V. leaders such as Debbie Mueller and Jody Padavana brought out the best of the team. Their steadfastness went unchallenged against competitors as East Leyden and Addison Trail. For Coach Haisman's Frosh team, quick moves and total team cooperation were their evident qualities of the season. Mary Ella Siebert, Audrey West, and Doria Baldwin were recognized as the outstanding players of the team and frequently played at the J.V. level. Both squads of the Girls' Basketball team enjoyed a fulfilling year of competition and with the experience gained from the past year, the coming season should be one of many victories.

Out-Standing On The Court

"An outstanding season" was the only way to recap the 1980-81 Varsity Boys' Basketball year. What brought about such a successful year? As Coach Birkett stated, "The team's success was the result of a group of individuals giving up their personal aspirations and forming a ball club that played very well as a team." Varsity Hornet lead scorers were co-captains Rick Stumpe and Rich McClarty. Both players set new school records with approximate averages of 22.1 and 13.3 respectively. Other team members who also added immensely to the season were Paul Lueken (Leading Rebounder), Paul Palandech, and Steve Gross (Starters). The Hornet team had a super season with the team's success resting in their improved handling and passing skills. With an outstanding season as was this, there is anticipation for an even better Varsity team next year.

Bouncing Back To Victory

The season for the Sophomore and Freshmen Boys' Basketball teams could be summarized as one of rebounds. For all three teams, the start of the season was one of losses, but as the season progressed, the teams rebounded back with many victories. With Coach Schroeder directing the Sophomores, the team had a slow start, but tremendous improvement became evident towards the season's end. Obvious sophomore leaders were Srdjan Grbic, Mike Hancock, Scott Jesse, and Mike Labedz. For the Frosh A and B teams, coached by Mr. Malloy and Mr. Heern respectively, the year was remarkable. Lead Frosh scorers were Randy Bull and Joe Siwek with Paul Lubanski as the evident leader in rebounds. The season for all three teams was one of a slow start, but a memorable end. Improvement was evident in all teams and this factor will definitely be carried through in the coming year.

Girls Beam With Improvement

For the 1980-81 Girls' Gymnastic team, the season was *tumbling* with improvement. On the Varsity level, Coach Kordewick's team refined their skills and perfected their routines for a most impressive performance. The Varsity team added to their record a 3rd place in conference and a 2nd place in district competition with senior Loretta Slowik placing 14th in the tough State finals. On the J.V. level, Coach Schmitt thought her team had a "very fine showing." they placed 4th in the conference meet, and individuals such as Kelly Behm, Joan Denny, and Tracy Kowalski helped the team to achieve such a worthy record. Both teams *beamed* with improvement throughout the year and will definitely *balance* the scales of competition in the coming season

Boys Swim To The Top

Riding the waves of victory was the scene of the Varsity Boys' Swimming Season. Coached by Mr. Townsend, the Swim Team met up against some tough competitors as Stagg and Naperville North. They ended the season with a 6-3 record, including a dramatic victory in the DPVL Conference meet against Downers Grove South. Swimmers such as Tim Coppe, Rich Holada, Tom Ochs, Bruce Metcalf, and Tim Riehle proved to be the strong leaders of the team. With the determination and skill evident this year, the Varsity Team looks ready to dive into another season of tough swimming competition.

Waves Of Improvement

The Frosh-Soph Swim Team of 1980-1981 had a season characterized as a year with waves of improvement. During the past year, the swimmers strived to make themselves better athletes. The Sophomores ended their season with a spectacular 8-1 record, while the Freshmen Team fared as well with a final competitive record of 3-5-1. Both of these teams also placed high in the Conference Meet. With the Frosh-Soph swimmers being saturated with experience and improvement, Hinsdale South can look forward to many champion Hornet swimmers in the coming year.

Young, Enthusiastic Matmen

Not only a young but also a very enthusiastic team was the description given by Coach Swinford of the 1981 season Varsity Wrestling team. The matmen had a very competitive year ending the season with a 11-8-1 record. Evident leaders of this year's team were Wes Schemmer, Dave Adams, John English, Ed Sreneawski, and Steve Hartz. Incidentally, Steve Hartz, due to his superior record, participated in the 1981 State Final competition. The team as a whole did an excellent job, and Hinsdale South looks forward to another enthusiastic season next year.

The Frosh Team added to their 12-1 season record a 6-1 conference victory. Some matmen who made these records possible were Mike Fiore, Chuck Hamlin, and Tim Somerfield. For the J.V. Team whose record was 17-2, a 2nd place rating was earned in the DPVL Conference Meet. Both teams had very successful seasons and they refined their wrestling skills immensely. Hornet scorekeepers are kept very busy

Girls' Bowling. Front Row: Katie Malek, Karen Tross, Pat Craig, Lynette Santora, Jeannie Luedtke, Paulette Koszewski, Sheri Guenther. Second Row: Coach Ed Puck, Linda Kush, Audrey Bulat, Annette Dumdey, Joanne Schuitz, Sherri Kessler, Tina Brackett, Beth Scherry, Linda Miller

Down Victory Alley

The season of this year's Girls' Bowling Team was one of *striking* endeavor. The team, coached by Mr. Puck, *pinned* a number of victories against opposing teams and, as a result, they were declared League Champions of the Hinsdale Hornet 10-Pin Tournament. This year's leading bowler was Linda Miller with a 163 average. The team, who took second in conference, as a whole performed skillfully, and the prospects of another victorious season next year will not be *spared* from the minds of the bowlers.

Tina adds a little ballet to bowling

"A Maze Of Confusion"

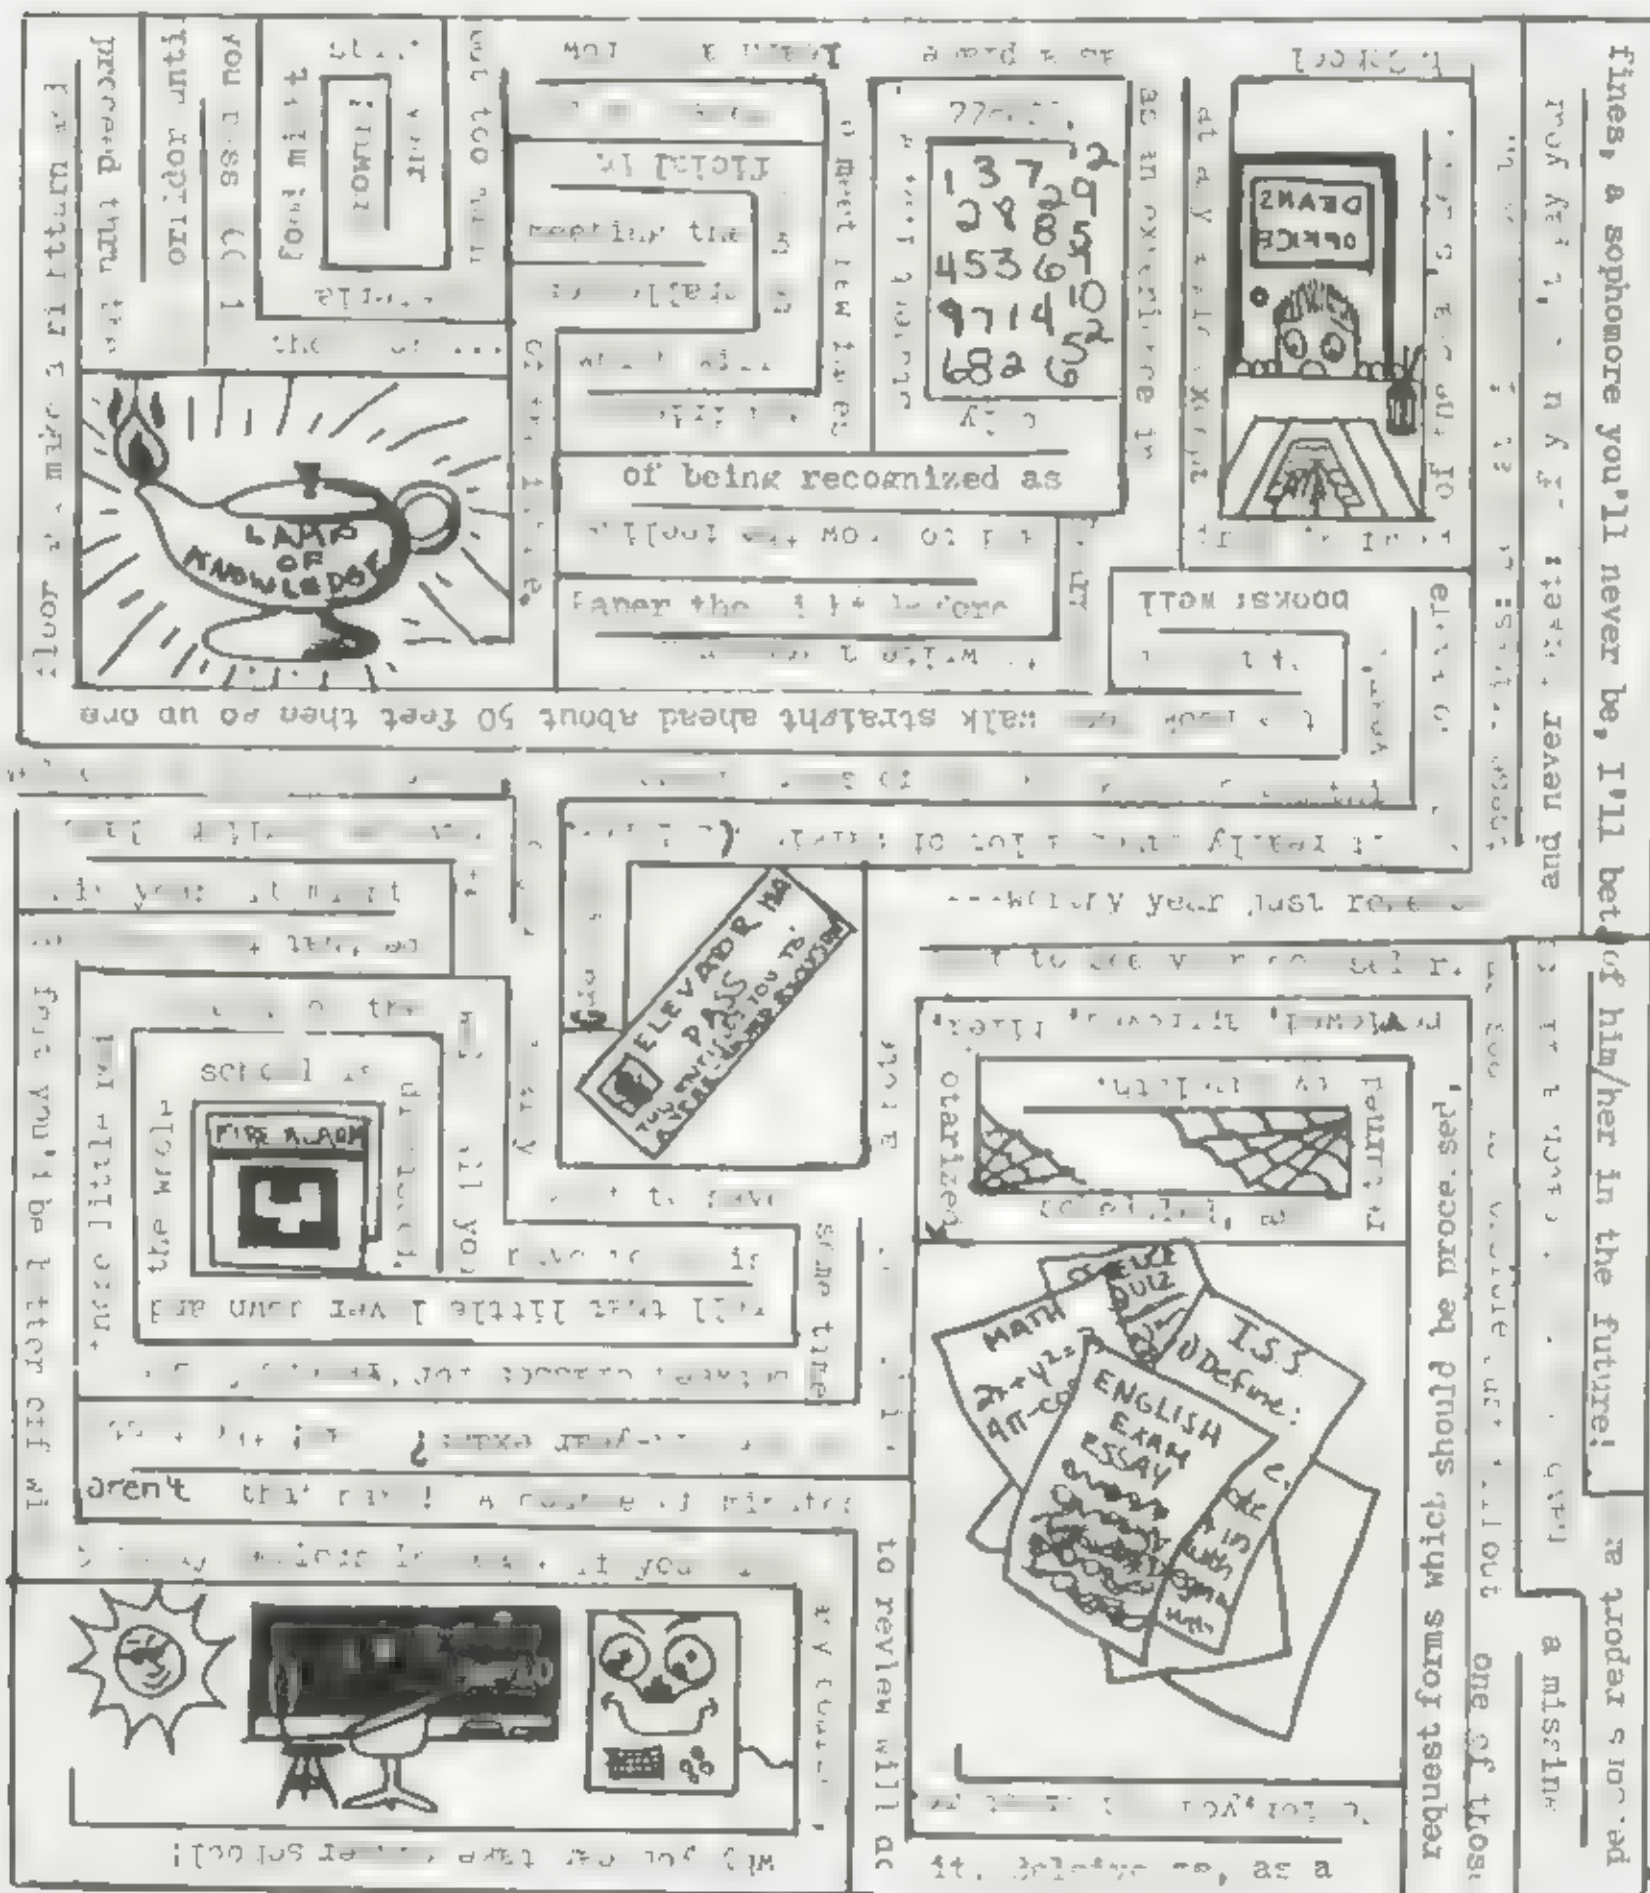

You, a freshman, arrive at the famous Hinsdale South High School and are hopefully prepared to survive the duration of your freshman year. Throughout your journey you will encounter a number of new people and places. To partially assist you in your adventure, a senior guide is provided who will occasionally give insight to various obstacles. The only question confronting you is, "Can this Senior be trusted?" With a little thoughtful thinking and a lot of luck, you should be able to reach the **amazing goal**.

The maze is a complex path of corridors and dead ends. It contains several key elements:

- Top Left:** A 'LAMP OF KNOWLEDGE' with a flame.
- Top Right:** A 'LAMP OF KNOWLEDGE' with a flame.
- Middle Left:** A 'FIRE ALARM' with a cross symbol.
- Center:** A 'PASS' for the 'ELEVATOR' with the text 'TO GET INTO YOU TO AVOID THE HALLS'.
- Bottom Left:** A 'MATH' problem: $2 \times 42 = 98$. Below it is an 'ENGLISH EXAM ESSAY' with a drawing of a person writing.
- Bottom Right:** A 'T.S.S. Define:' prompt. Below it is a 'request forms which should be processed' instruction. Further down is a 'miscellaneous report' area. At the very bottom is a 'review will be' section.
- Other Elements:** A 'LAMP OF KNOWLEDGE' in the top right, a 'LAMP OF KNOWLEDGE' in the middle right, and a 'LAMP OF KNOWLEDGE' in the bottom right.

The maze is surrounded by a decorative border. The title 'A Maze Of Confusion' is at the top. The instructions at the bottom read: 'You, a freshman, arrive at the famous Hinsdale South High School and are hopefully prepared to survive the duration of your freshman year. Throughout your journey you will encounter a number of new people and places. To partially assist you in your adventure, a senior guide is provided who will occasionally give insight to various obstacles. The only question confronting you is, "Can this Senior be trusted?" Pick-A-Letter

Directions- The letters in each column below the grid go into the boxes directly above them. Your job is to decide which letter goes into which box. As you use a letter, cross it off. Black boxes indicate the end of a word. The quotation is about the sophomore class and how it feels to be a member of that great class!

STATE FEVER STATE FEVER

'State Fever' hit Hinsdale South this year in epidemic proportions. Our Varsity Football and Varsity Soccer teams displayed fine athletic ability throughout their respective sports. The Varsity Football team, coached by Dave Smith, completed the season with 11 wins and 2 losses. The Varsity Soccer team, coached by Larry Foss, did equally well with a final record of 15 wins, 5 losses, and 3 ties. To complement both of these fine records, each team took home the title of 2nd in State. In addition to the team sports, two individuals of the Cross Country team gave outstanding performances. Runners Sam Ramont and Annie Schuessler ran all the way to the State Finals and earned the title of State Level Competitors. With the taste of State Competition, it will come as no surprise if 'State Fever' becomes a precedent.

My Cousin
Rachel

(Vol. 1)

WELL MARIA , , OR IS IT MARY? NO RACHEL!

It looks like I'm finally going to sign your year book!
Well, I guess you won't be depiured after all! Sorry about
the mix up, you know I'm a space cadet, Now you
can look at this 20 years later and remember your
strange, wild, and crazy.

✱ Rachel,

Hi! It's been nice knowing ya. You
are a very sweet person & a true friend. Good
luck in your senior year, imitations and
the rest of the following years to come.
Good luck with _____. How've ya been
lately? Me? So it so, ya know not so
good, not so bad. Keep in touch.

657-2170

Always,
Mae
